About Us

At Usha Engg. & Arts, we don't just build food carts – we craft opportunities for foodpreneurs like you!

With around **10 years** of experience, we've proudly delivered **10000+** custom carts across India and Nepal.

Whether it's a sizzling BBQ setup or a sleek coffee cart, we combine top-notch craftsmanship with innovative designs to help your business shine.

So, let's turn your food business idea into a reality that rolls!
